

THE ROAR

1969

Barbara Chare Semands
Junior 1969

Barbara,

I hope you don't mind me signing on this page but if you do it's too late. Well, this is to late to be wishing I had another year as I guess this is the last I'll have. I have really enjoyed knowing you and I'm sorry things went a little rough for us, it wasn't any of your fault so I'm only blaming myself. We have still had some pretty fun times together and I will never forget them, You sure made me mad that time we went to Love Street. Oh well, I guess I deserved it, I shouldn't have even been going with Ruggiero but I was, I remember a time you STUPID HORSE then us too. Boy, I never have liked that horse. Then there was the time you and I and Judy went riding around, that Judy sure is funny, I remember a game that was over a St. Pierre too, That was the first time I had ever been with you and I will never forget it. We were in Mr. Brown's car. Well, that was a while ago and now I am a Senior and will be gone in 5 days. I only want to ask you to remember me and maybe we can get together in the future. I want to wish you the best of luck in everything and I hope to see you around.

A Stupid Senior,
Love Chippie

**The 1969 Roar Staff Would Like to Dedicate
This Yearbook to Our Superintendent
Mr. John A. Winship**

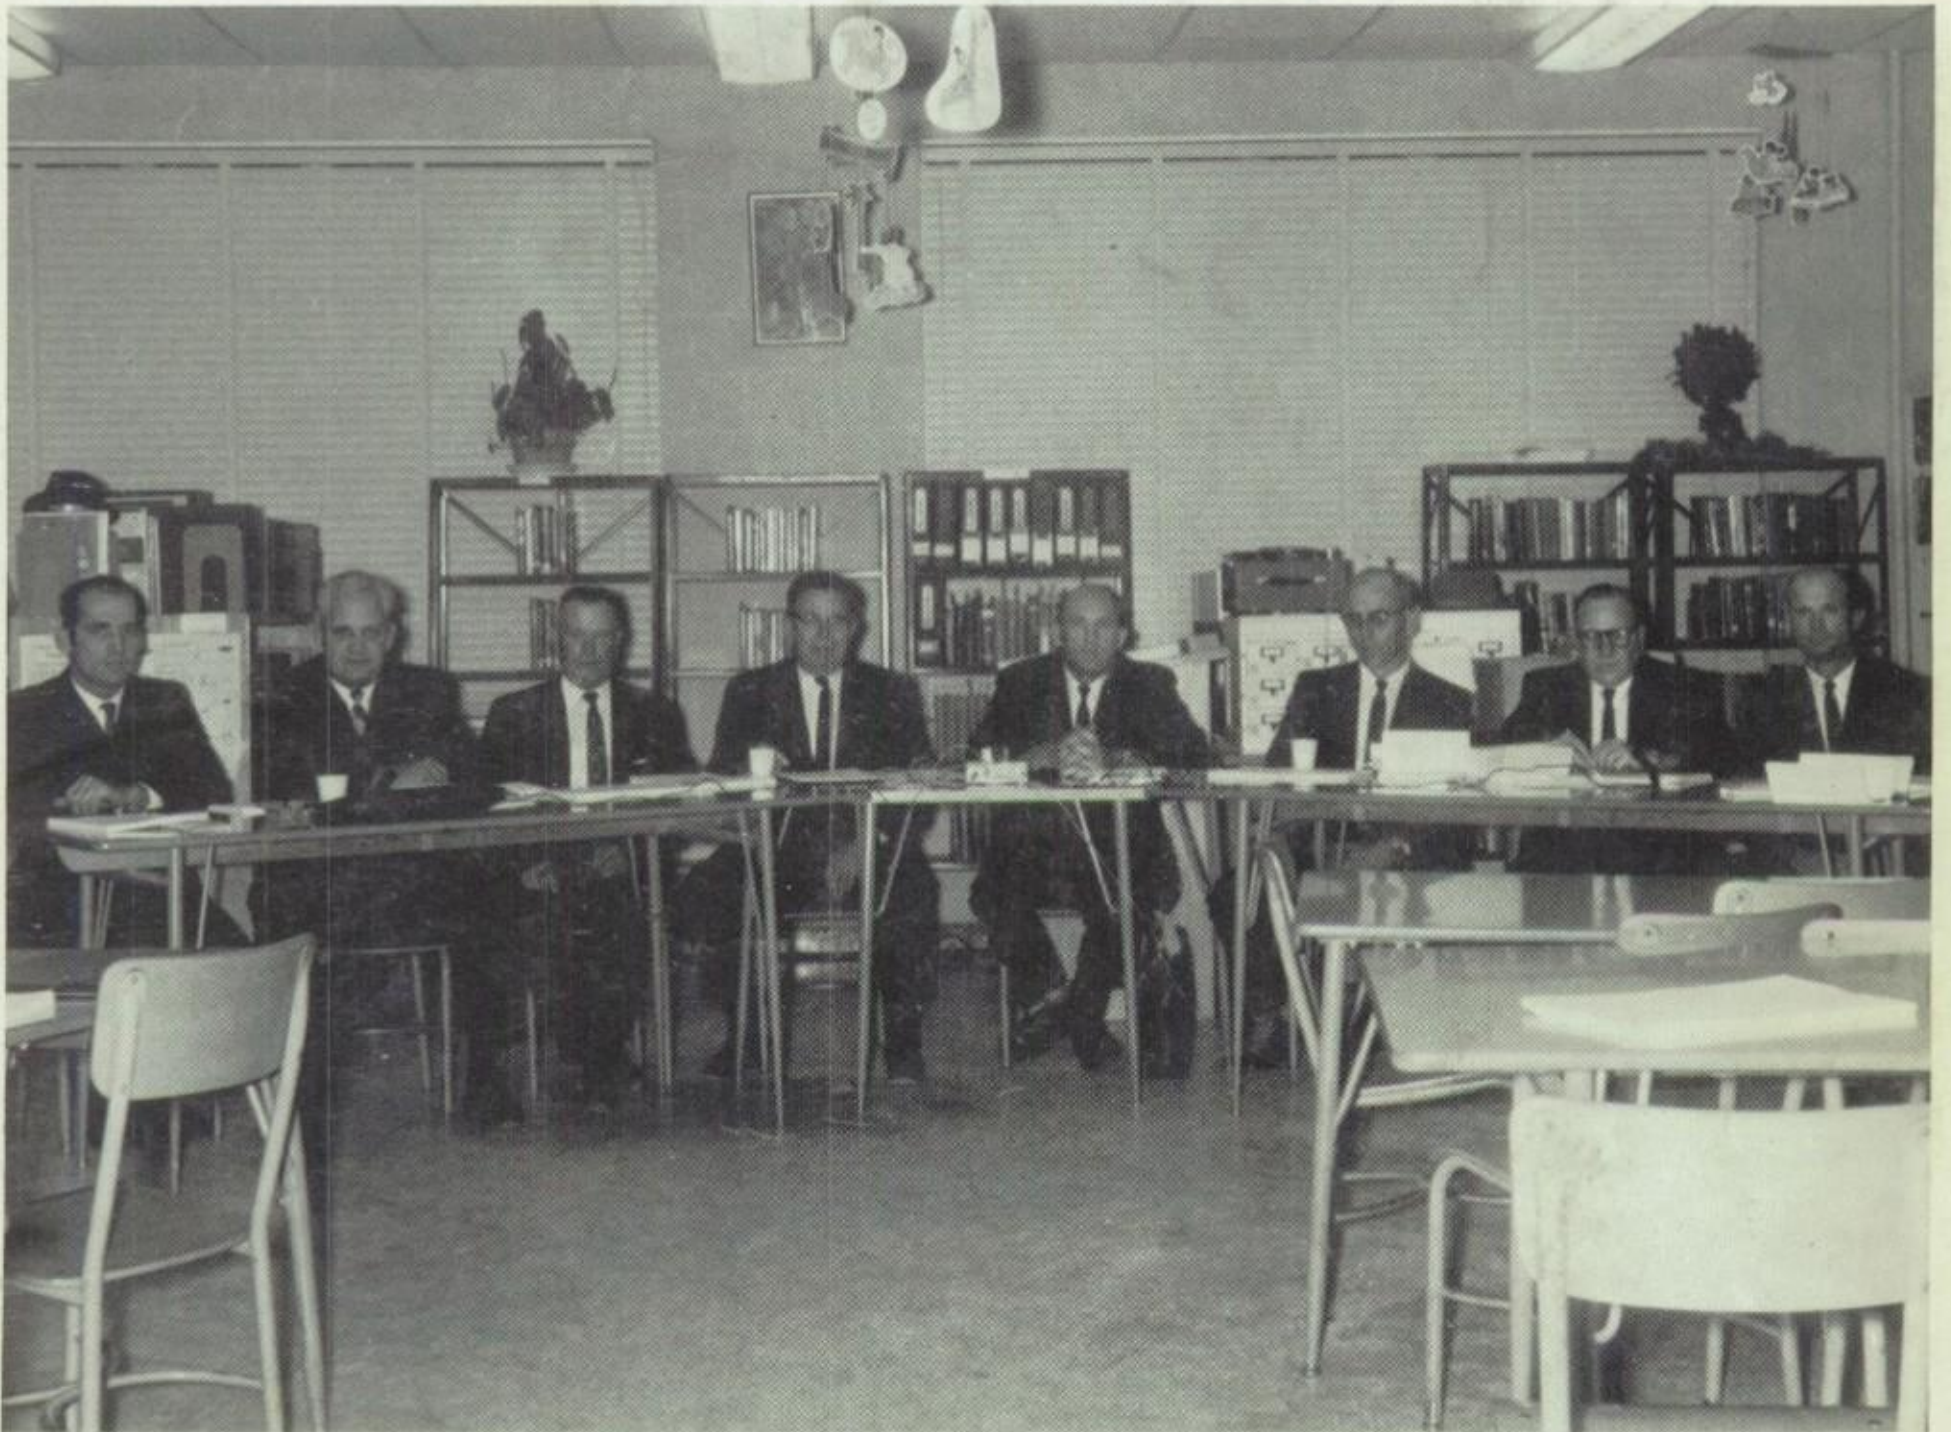

I would like to congratulate each student who is depicted in the pages of this book. All of you are progressing along the pathway of life. Especially to the graduating Seniors of 1969 do I offer this commendation. You have achieved graduation from High School, a great step in your history. I wish for you many future achievements as you continue. My message to you would be, to have faith in yourselves, to have faith in your fellowman, to have faith in God, and to give your best.

Your friend,

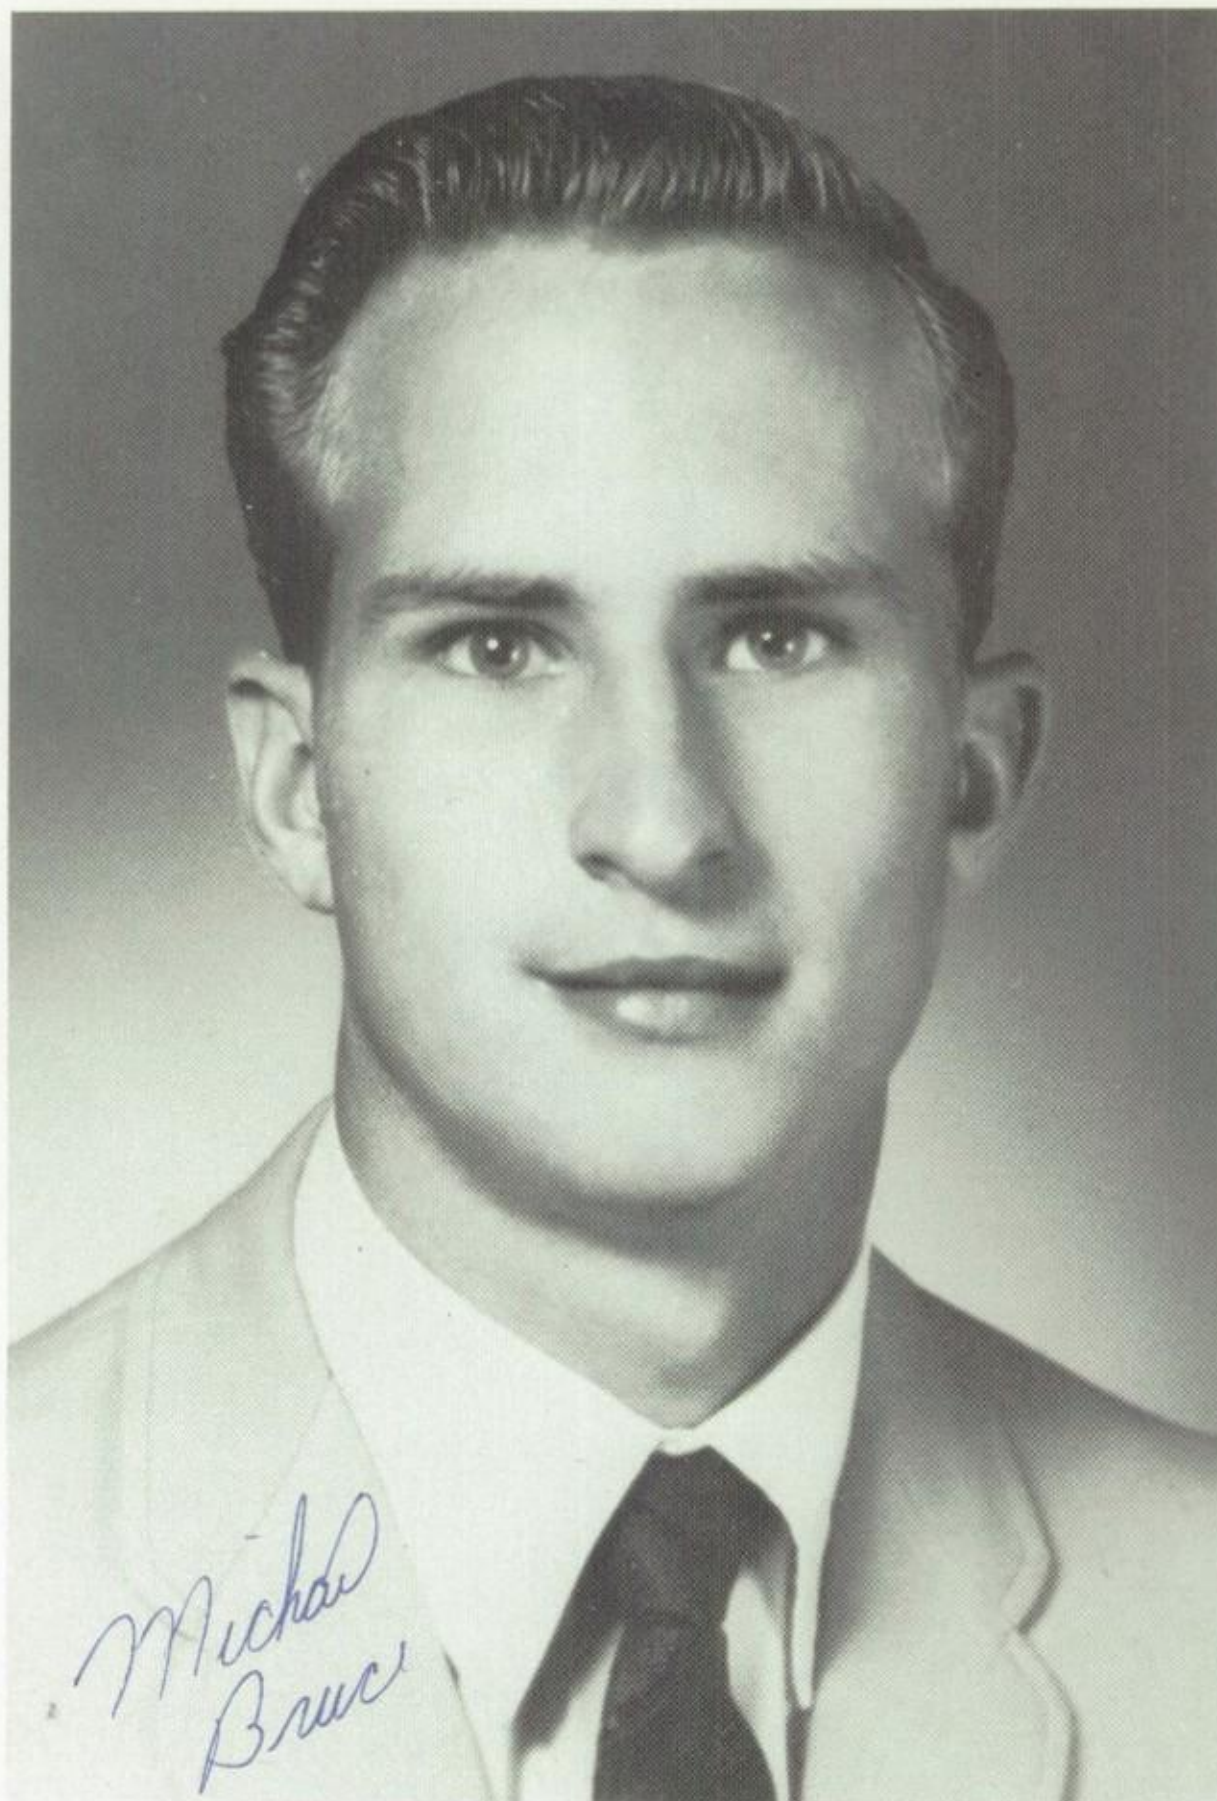

John A. Winship

Board of Trustees

LEFT TO RIGHT: Gus H. Kaiser, Dick Cheatham, Jake Stallones, J. A. Winship, E. M. Wells, A. H. Meyer, W. E. Murphy, Earl Theiss.

The Board of Trustees is composed of seven members elected by the citizens of Spring Independent School District. These men serve our school unselfishly and without pay. Much of their time, thought, and energy is spent in an endeavor to improve and maintain the good schools of Spring. This is especially true this year when the Spring School District is involved in a tremendous building program.

Michael Bruce — Roar Editor

To the 1969 student body, we present this yearbook of memories. Memories that will be recalled for the rest of our lives. This, your 1969 ROAR is a permanent record of your days at Spring High School.

Throughout this year, we have seen a striking combination of the old and the new. The old traditions with the new ideas; the old classrooms and the new textbooks; the Seniors and the Freshmen. This year, we have endeavored to make our ROAR different from those previously published. It is our sincere wish that each of you will find much pleasure and have great pride in this your 1969 ROAR.

My mind is an unbearable jumble:

THE LIONS TALE

SPRING SCHOOL PUBLICATION

SPRING HIGH SCHOOL

LION'S TALE EDITOR

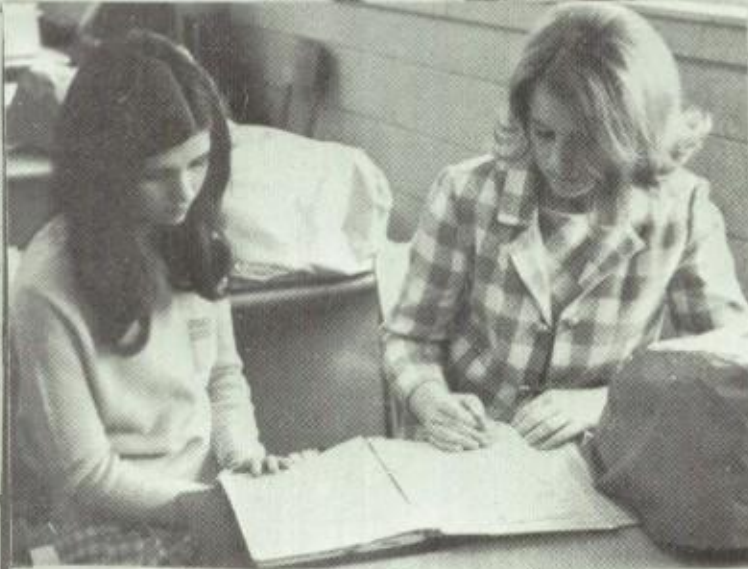

Before publication of the school newspaper, the "Lion's Tale", could come to the press, an editor had to be chosen. The Journalism Class elected Frances Lemm for this important job.

Frances has the duty of seeing that each person on her staff is assigned an article to be written and typed on a finished copy. As editor, Frances works with her staff in publishing an up-to-date school paper for the student body.

LAST MINUTE TYPIST

Jean Koch, a last minute typist, has served the Journalism class faithfully in typing last minute articles to complete the newspaper. Jean is noted for her reliability when she is called upon to serve in this capacity and her responsibility has been a tremendous aid to the Journalism Class.

CREATIVE WRITERS

Marianne Russell and Keitha Tullos have used their ability to create new ideas for the paper. This has made the paper more interesting and outstanding for the readers. By using creative writing Marianne and Keitha have added to the success of the "Lion's Tale".

ROVING REPORTERS

Pamela Gilliland and Glynda Theiss, as Roving Reporters, have provided on-the-spot coverage of news events at Spring High. Pam and Glynda have worked as an efficient team in obtaining exciting and important material of interest to the readers of the "Lion's Tale." They have made it possible, through their articles, to acquaint the student body with the activities of Spring.

PHOTOGRAPHERS

Michael Bruce and Ronnie Pali have done an outstanding job as photographers for the "Lion's Tale." Mike and Ron are depended upon to take pictures and to have these pictures developed on time to be published in the newspaper. These photos have given the reader a vivid picture of

the article and by doing so they have obtained the interest of the reader.

SPORTS REPORTERS

As sports reporter Delilah Leverett, Chipp Crutchfield, Wayne Maxwe and James Pate have provided complete coverage for all the sports events at Spring High.

Barbie,

Please believe every word I'm about to say. You great, I mean really great. I guess you know from me that means something. You have a great personality (even though we have a conflict there) and you're about as cute as you can be. When we go out I'm as proud as can be to be with you cause you're one hell of a good time. You don't know it but you did a good deal toward reforming me. I'm sure you know what I mean by that. I'll never forget this year like I've never forgotten the past years with you.

Barbie, all I can say is that I made a mistake two years ago and I'm still paying for it. Last year wasn't too important, but this year I've made another mistake. You know you're the only one that can help me and I wish you would.

Good luck to you in college and may your future be as bright as your past. It's been great fun and I hate to see it go. We have this summer and next year though. Be as kind, sweet, pretty, & great always as you are now.
